

FTE OFFER PIECES & HEADLINE WORKSHOP

Section 1: Core Offer Pieces

Piece	What You've Got
Outcome	\$5K/month consistently
Duration	6 months (full transformation)
First Win	First real shift within 60 days (use near CTA/pricing, not in headline)
Mechanism	Creative Director Shift™
Identity Shift	Button pusher → Creative director
Behavior Shift	Hiding behind animations → Actually editing great videos
Mindset Shift	Worrying about "how" to show things → Knowing "what" to show
Why It Sticks	You become irreplaceable to your clients
Objection Killer	You've already done the hard part
Emotional Core	The moment you know the bet on editing paid off

Section 2: Pain Points (Where They Are Now)

- Feeling like a failure
- Pressure from parents/society ("what are you doing with your life?")
- Can't travel, stuck at parents' house
- Feeling stuck with no clear path forward
- Underpaid and overworked
- Not sure editing can be a real long-term career
- Clients treat them like a commodity
- Not proud of their own work
- Seeing others charge way more for similar technical skills
- Can recreate the animations but don't know what else is missing
- Don't know what they're doing wrong or how to improve
- Worried about where the next project is coming from
- Not confident enough to charge more
- Confused about the gap between their skills and their income

Section 3: Dream Outcomes (Where They're Going)

- \$5K/month consistently
- Working with dream clients they enjoy
- Editing content they're passionate about
- Location freedom. Live wherever they want
- Agency over their time. Gym at 2pm on a Tuesday
- No more worrying about where the next project comes from
- Always learning and growing on the job
- Building valuable connections
- Clear long-term vision
- Ability to expand beyond editing
- Fulfilled and proud of the work
- Approval and respect from family
- High status among other editors
- Making more than friends and family with "real jobs"

Section 4: Emotionally Charged Phrases (Artem's Words)

"I'm that guy who always wins."

"I'm making more than my mom and she's a specialist with 10 years in the field."

"The boring and the monotonous and the annoying stuff that is the lowest leverage thing possible. You already went through that."

"I genuinely believe that no matter what happens I'll bounce back."

"I have full agency over my life."

"The best thing is, during those four hours of deep work, you're actually working on something you're passionate about."

"You don't know what you're doing wrong. You don't know how to improve. And you don't know what you need to turn it into an actual full-time career."

"It's this overwhelming feeling of fulfillment."

"People at \$1K/month worry about how to show something. People at \$5K/month think about what to show first."

"They're not trying to compensate for their lack of storytelling and creative direction skills with fancy-looking animations."

Section 5: Headline Versions (Fill These In)
